# STARS OF THE PROGRAM

It is our privilege, dear listeners, to present to you a program with an all star cast. This series of broadcasts is now in its' fourth year and enjoys a vast audience, composed of juniors, sophomores, freshmen, faculty and friends. Some of the outstanding stars are Richard Putman, president; Alfred Meyer, vice president; Wayne Rothgeb, treasurer; and Earl Menking, secretary. The program is being sponsored by Miss Harriet Daniels and Mrs. Deliah Redman, makers of those famous "Pep Pills" which work wonders for assignments in chemistry and English.

"One of the outstanding broadcasts of this series of programs was the production of "Young and Lively." These stars and all their supporting cast have worked together for four years in anticipation of a trip to the Nation's capitol in the Spring of 1940—a rest from Hollywood.

"Professor Quizz in his early interview with the members of this cast finds that their favorite color is blue—with red predominating for some boys. It's quite possible that day dreaming—and star gazing entered into the picture. The girls indulged in all modern methods of make-up. The favorite nail polish used was red—Kiss-proof lipstick—and "Stick-On" powder. The male specie was never without his hair oil and Sen-Sens. And last but not least, that boom to energy—the delight of a senior—the dread of every teacher—chewing gum. As their favorite pasttimes they choose basketball and softball—with dancing as a popular social activity, too.

"The reading habits of the stars deserve mention because it was not unusual for a study hall teacher to remove from behind a chemistry notebook, "A Comic Book", or a "Western Dime Novel." or spy the latest edition of "Vogue" or a Motion picture magazine slipping unintentionally from the locker of some fair damsel, nor had the seniors outgrown their childish humor for they still enjoy the "funnies" and "Dick Tracey" and "Popeye"—. Kay Kyser and Charley McCarthy are the favorite radio stars.

"And now Professor Quizz, still has a few questions on his mind which he wants to know—"What do you remember most from your high school days?"—"What do you think of New Haven High"? So step right up to the mike—

"You have been listening to an interview with the stars on this broadcast. Four short years ago our radio contract seemed to some a far-away aim or an event that held only slight meaning to us. Even today it seems unreal and unbelievable that we are Seniors and about to bid farewell to New Haven High School and join a new station on the air. But as we think back over the years that we have been together, we find that we hold many cherished memories.

"Today we are very glad that you can be with us as we recall many of these pleasant highlights of our careers and tell you of our desires left behind.

"Miss Vonderau, will you come to the microphone, please and continue this program."

# Highlights of the Stars Careers

In September, 1936, ninety-four freshmen entered the New Haven High School. After the class was satisfactorily enrolled, Mr. White, the principal, appointed Miss Harriet Daniels, Miss Helen Harrell, and Mr. Ben Clem, as sponsors, to assist with its extra-curricular activities. The class of 1940 elected Carroll Ramsey, president; Pat O'Reiley, vice president; and Wilma Meyers, secretary-treasurer. At the very first class meeting, besides electing officers, the class and its sponsors began planning a trip to Washington, D. C., in 1940.

The first all school project in which the freshmen participated was the sale of basketball tickets. The class won the contest and added five dollars to its bank balance. On November 17 the class enjoyed its first skating party at Bell's Rink. In December the freshmen voted to follow the tradition of their school and give an all school Christmas Party. The party was held in the new auditorium which had just been completed.

In the fall of 1937 seventy-six students enrolled as sophomores. At the regular class election Melvin Hoevel was elected president; Carroll Ramsey, vice president; Gerald Gabet, secretary; and Marie Augenstein, treasurer. Miss Daniels, Mrs. Redman, and Miss Walters were asked to help direct the activities of the sophomores. On September 16 the class and its sponsors enjoyed a campfire weiner bake in Schnelker's woods.

The first real social event of the class of 1940 was held in February in the form of a theater party at the Emboyd in Fort Wayne.

Penny lunches, dues, skating parties, and the presentation of "Elmer" before the school helped to fill the treasure for the Washington trip. The trip became a reality when Mr. Miller explained the details of the trip and showed movies of Washington to the students and their parents.

In September, 1938, Louis Becker, Betty Graeber, Jean and Joyce Firks, Clara Lake, Mildred Armstrong, Marjorie Mallahan, and Geraldine Momper enrolled with the class of 1940. Officers for the junior year were Robert Lampe, president; Arthur Goeglein, vice president; Agnes Schrage, secretary; and Betty Graeber, treasurer.

The class was granted the candy concession for the year 1938-1939. Members of the class with the help of Mrs. Redman sold candy every noon during the school year, at every high school basketball game, at the county tournament, and at the Lutheran basketball games. This business netted the class a substantial profit which was added to its bank account for the proposed trip to Washington.

The junior play "A Ready-Made Family" was presented on November 18. The members of the cast were Marie Augenstein, Harold Thompson, Carroll Ramsey, Agnes Schrage, Marjorie Elson, Irma Frosch, Mabel Rohrbach, Ruth Doehrman and Louis Becker.

The year 1938-39 found many of the juniors active in baseball, basketball, Sunshine, G. A. A., Social Science Club, Glee Club and Band.

The losing side in the basketball ticket contest entertained the winning side with a Valentine Party held in the school dining room.

The annual Junior-Senior Spring Party was enjoyed at the Y. M. C. A. in Fort Wayne on May 11, 1939. The juniors entertained their guests with a banquet followed by games and dancing. The juniors were guests of the seniors at Hamilton Lake the last Thursday of the school year. The class of 1940 decorated the auditorium and ushered for the baccalaureate and commencement exercises for the class of 1939.

Sixty-eight members answered to roll call during the senior year. The class elected Richard Putman, president; Alfred Meyer, vice president; Wayne Rothgeb, treasurer; and Earl Menking, secretary.

The senior class play "Young and Lively" was given on November 30. The cast for this play included Carroll Ramsey, Richard Putman, Agnes Schrage, Joyce Firks, Marjorie Mallahan, Pauline Stemmler, Eleanor Schnelker, Ruth Doehrman, Louis Becker, Warren Berkheiser, Arthur Goegelein and Kyle McCord.

Members of the class were very busy in regular class work because more names were found on the honor roll each six weeks. The seniors held important positions in Sunshine, Basketball, Baseball, G. A. A., Social Science Club, Glee Club, Mixed Chorus, Band, and Mirage Staff.

On February 10, the seniors enjoyed a skating party at Bell's Rink. On March 15, the seniors entertained their parents with a Pot Luck Dinner in the school dining room. After the dinner Richard Putman, Mrs. Redman, Mr. Young and Mr. Miller gave short talks about the trip to Washington, D. C., Mr. Miller showed moving pictures of high school tours in Washington.

The last all-senior Get-together was held in April at the high school building. On May 10, Class Day Exercises were held in the auditorium, on May 12 Baccalaureate, on May 17 Commencement, and May 18-24 were spent on the long-planned-for Washington trip.

HAROLD SMITH, Coach

## "Sport Fans:

"We will now hear from our N. H. H. S. sport's commentator, Pat O'Reiley — O.K. Pat, tell us about our coach and basketball team. Take it away."

"Perhaps there is no student function connected with the athletic program that is more detailed or deserving of credit than that of the athletic manager of any sport. (Pat O'Reiley) held the honor of managing the New Haven Bulldogs for two years. He was assisted this year by Bernon Schlink.

"Coach Smith's record is his best recommendation. His feat of having developed a sectional winner in three years at Union Center and a county softball championship in his first year at New Haven makes him an outstanding coach. Indiana Central and Indiana University were the alma maters of Mr. Smith where he won letters in football, basketball and track.

Coach Smith, being a very active man, has besides his gym work, hobbies of golf, fishing and tennis.

"Let us give a brief resume of our team:

## "Paul Stemmler"

"Coonie" is the most reliable of the Bulldogs when it comes to getting points. Stemmler is always in there fighting and as he is a senior the fans of the hardwood will miss his fine playing next year.

## "Wayne Gillie"

"Blackie" the flashy little guard, gets all the tough assignments when it comes to guarding. Gillie is another of N. H. H. S.'s outstanding players whose place will be hard to fill next year.

## "Richard Nietert"

"Pete" is the life of the New Haven squad. Pete's slow deliberate style and good basket eye at long range always brightens the spirits of the New Havenites when the outcome was uncertain. Pete will also join the Bulldog alumni next year.

## "Clinton Mehring"

"Doc", the handsome, romantic, junior played the position of center and guard. 'Doc' is always

PAT O'REILEY and BERNON SCHLINK, Student Managers

in there fighting and when it comes to pivot shots, he is tops.

"Kenneth Hanefeldt"

"Kenny" is the fast, stocky, little junior who plays forward. Kenny can always be depended upon in the pinches and can be counted on under the basket.

"Robert Lampe"

"Bob" is the handsome man of the senior class who can play forward as well as guard. Bob will always be remembered as one of the best sports of the squad. (For further information, see the blond beauty of the seniors.)

"William Bolyard"

"Bill", although only a sophomore is another of the bright spots of the Bulldog quintet. When the game was stale, Bill, with his clever playing could always liven things up.

"Joseph Wright"

"Joe", another outstanding guard, being only a sophomore, promises to be a great help to the squad the following two years. With a little experience and practice, he will be enough to worry any opponent.

"Melvin Hemsoth"

"Squire," a high rating junior, showed his ability not only in fast floor work, but also in excellent basket shooting. He says "I am off women because the upkeep is too high."

"Fritz Peopple"

"Fritz" is one of the best from the excellent sophomore material. He is noted for his clever ball handling, longs from dead center. He possesses the typical Bulldog fighting spirit.

"Elmer Stellhorn"

"Elmer", the tallest member of the Bulldog squad, promises to be a very good center. His favorite nickname is "Butch"; his favorite teacher, Miss Swihart; his favorite girl, Virginia; and favorite pastime, basketball.

"Richard Nelson"

"Speed", another sophomore, is one of the fastest men on the team. He always contributes his share to the team.
